

2026-2030 CA&ES CRITERIA FOR TA FUNDING

25% position for 1 quarter = .083 annualized TA FTE -- 50% position for 1 quarter = .167 annualized TA FTE

CATEGORY	CRITERIA
Standard lecture classes with sections (Grading is through tests and/or short papers; sections typically 1 hour)	25% TA per 30 students
Grading intensive lecture classes with sections (GE writing or ≥10-page papers; project-based: with a 'substantial project' that comprises at least 50% of the total course grade and requires input from faculty/TA's over more than two class meetings for organization, planning, implementation, and/or evaluation/grading of student work; quantitative: has weekly hand-graded problem sets"	Discussion sections average 25 students 25% TA is responsible for 1 discussion section
Lab or studio classes (Typically 3-hour lab or studio sections)	Lab/studio sections average 20 students 25% TA is responsible for 1 lab/studio section per week, i.e. 20-30 students Alternative: 10-15 students per section if room size, equipment, or safety concerns require
Field classes (minimum of two hours of field work plus an hour of outside preparation for each unit of credit)	25% TA per 12 students to account for additional duties such as van driving, supervision in different environments, etc.
Lecture-only classes, automated grading (No sections; grading is by Scantron, Canvas quizzes or similar)	Hybrid: 25% TA for first 200 students plus 25% Reader for each incremental increase of 100 students
Lecture-only classes, manual grading (No sections; tests require grader attention)	Hybrid: 25% TA for first 100 students plus 25% Reader for each incremental increase of 100 students
Lecture-only classes, moderate writing (No sections; 5-10 page papers)	Hybrid: 25% TA for first 100 students plus 25% Reader for each incremental increase of 100 students
Lecture-only classes, writing-intensive or substantial project (No sections; GE writing or ≥10 page papers: 'substantial projects' comprises at least 25% of the total course grade and requires input from faculty/TA over more than one class meeting for organization, planning, implementation, and/or evaluation/grading of student work)	Hybrid: 25% TA for first 40 students plus 25% Reader for each incremental increase of 40 students

Requests for additional TA or Reader support for courses with unusually special circumstances will be considered.
